

VOLUNTEER OPPORTUNITIES 2009-2010

The PTA will work closely with the Mills Park staff to provide extra support and assistance throughout the school year in addition to providing events and programs for the children and their families. We would love for you to become involved through the many PTA opportunities available. Please review the list of needs on the following page and check the areas that interest you. If you have any special talents, interests, or areas of expertise that are not listed, feel free to add them to the bottom of the form. **Please return this form to the school as soon as possible!**

In order to volunteer, you will need to register on the school computer to ensure the safety of our children. Please visit the school as soon as possible to register as a volunteer. For your convenience, a dedicated computer is available in the media center. The entire process takes under 15 minutes – please remember to bring your driver's license. The sooner you register, the sooner we can begin scheduling you to help. We look forward to meeting you and getting you involved in the appropriate areas.

If you have any questions or concerns, please feel free to contact us. We welcome and need **EVERYONE** to continue making Mills Park Elementary an outstanding school!
